

# Eastview's **Library Link**

**Ms. Fesenmaier**

**May 2017**

The month of **May** brings books about warm spring weather (tornadoes and thunderstorms), outside sports and activities (baseball and camping), holidays (Mother's Day and Memorial Day) plus the end of the school year.

Books and the library also play a vital role for reading during May. Fourth quarter reading can be a challenge especially setting aside time to meet this last quarter's goals for Accelerated Reader. Check on your child's progress on the library homepage at the Home Connect link.

ALL Library books are due by Friday, May 19th. Please plan accordingly!

Connect to our library's website at

[www.badger.k12.wi.us.com](http://www.badger.k12.wi.us.com)

Eastview Elementary;

Students; Library Links; Eastview School -

or use your Smartphone to scan the QR code.

Remain positively engaged. Pay attention to the online environments your children use. Surf the Internet with them. Know who your child is "friending" on social media. Try to react constructively when they encounter inappropriate material. Make it a teachable moment. - See more at: <https://www.staysafeonline.org/stay-safe-online/for-parents/raising-digital-citizens> .

The benefits to readers in a summer reading program include:

- encouragement that reading become a lifelong habit
- reluctant readers can be drawn in by the activities
- reading over the summer helps children keep their skills up
- the program can generate interest in the library and books
- the program can just be good fun and provide an opportunity for family time.
